**A CASA of the River Region Benefit**

**About the Sponsors:** **CASA of the River Region** supports and promotes court-appointed volunteer advocacy for abused and neglected children so that they can thrive in safe, permanent homes. We recruit community members of all races, professions, and educational and ethnic backgrounds. No special expertise or knowledge is required to volunteer, just the commitment and willingness to learn and become a powerful voice in a child's life.

**Dish on Market** is quickly becoming one of Downtown Louisville's best Business-Class restaurants. In late July 2010, Dish on Market took over the building that was the former home to the restaurant "Delta," which catered to the downtown area for over half of a century. Dish on Market serves a variety of food ranging from Fish n' Chips to vegetarian plates such as Blackbean Burgers, and caters breakfast, salads, entrees, beverages and desserts.
